

**PRINCE EDWARD ISLAND – CANADA**

**As Canada’s smallest Province, a Constitutional promise was made to Prince Edward Island as part of its entry into Confederation in 1873.**

**As busy and important as the Champlain Bridge – new or old – might be, it does not exist to meet a constitutional requirement. Confederation Bridge does.**

***We, the undersigned, want the Confederation Bridge tolls eliminated to the mainland as part of Canada.***

**(Please return signed Petition to Summerside City Hall by August 26, 2019.)**
